

## **EFIC formally welcomes Turkish federation MOSFED as a member**

**1 April 2022 - The European Furniture Industries Confederation is glad to confirm the membership of the Turkish Federation of Furniture Associations - MOSFED in EFIC, represented by the MOSFED Board Chairman Mr. Ahmet Güleç, Secretary General Ms. Arzu Bayraktaroğlu and Ms. Amine Aktekin, institute coordinator.**

MOSFED will have the full member status in EFIC and will be the main representative of Turkey in EFIC, replacing MOSDER. We want to take the chance to thank MOSDER (MOSFED member) for the good collaboration over the years.

MOSFED was established in 2014 as the "umbrella organisation" of the furniture industry. Today, the federation gathers a wide production and sales network from every region of Turkey and it is the voice of 36 thousand furniture manufacturers and 60 thousand furniture merchandisers.

*EFIC chairman Edi Snaidero said: "MOSFED affiliation to EFIC will increase the power of our voice in Europe and as such we look forward to collaborating closely on many initiatives in the interest of the European furniture industry."*

*MOSFED chairman Ahmet Güleç said: "We believe our cooperation will lead us to a great success in furniture industry at EU level. Hence, we are pleased to become a part of the EFIC family."*
