

# 18 NOVEMBER 2020 CIRCULAR DESIGN FOR FURNITURE

## Save the date for our webinar!

Join us on 18 November 2020 for an exciting discussion on the transition of the European furniture industries to a more circular economy. Find out the views of industry experts on the potential of circular furniture design and best practices and hear from European policymakers about the latest initiatives envisaged to make circular products and services the norm in Europe!

More information to come soon!

All event information will be published on [EFIC website](#).
